

HOLIDAY FACTS

* The first Thanksgiving was held in the autumn of 1621 and included 50 Pilgrims and 90 Wampanoag Indians and lasted three days. Many historians believe that only five women were present at that first Thanksgiving, as many women settlers didn't survive that difficult first year in the U.S.

* No forks at the first Thanksgiving! The first Thanksgiving was eaten with spoons and knives — but no forks! That's right, forks weren't even introduced to the Pilgrims until 10 years later and weren't a popular utensil until the 18th century.

* Thanksgiving is the reason for TV dinners! In 1953, Swanson had so much extra turkey (260 tons) that a salesman told them they should package it onto aluminum trays with other sides like sweet potatoes — and the first TV dinner was born!

HOLIDAY QUOTES

“Be thankful for what you have; you'll end up having more. If you concentrate on what you don't have, you will never, ever have enough.”
Oprah Winfrey

“I am grateful for what I am and have. My thanksgiving is perpetual.”
Henry David Thoreau

“We used to build civilizations. Now we build shopping malls.”
Bill Bryson

“Once again, we come to the Holiday Season, a deeply religious time that each of us observes, in his own way, by going to the mall of his choice.”
Dave Barry

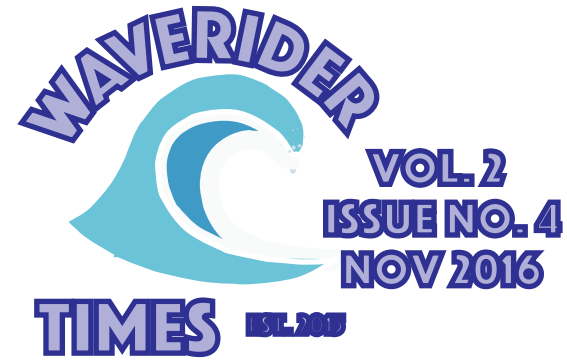

A hug is a great gift — one size fits all, and it's easy to exchange.

WHAT'S IT LIKE TO BE IN MORNING BROADCAST?

By Sierrah Alves

Being in Morning Broadcast is like your going on the news and talking to the whole world about news. You have people doing individual jobs to make the broadcast happen. We all have to communicate with each other over headsets yo make sure that they are ready for doing the things they are suppose to be doing. We do have a director that tells everyone what to do and when to do it and to make sure everything is running smoothly. We all have to work together to make it happen if we don't we would have major problems.

Being assigned on camera or "Talent" we have to run through our lines at least three or four times to make sure we are comfortable with our lines. If there are any mistakes they never caught we would see it and have it corrected. While we go on we also have to make sure we have proper clothes on and were not out of dress code violation. Broadcast is is a really fun thing to do because we all get along and we all have fun.
