## Principal's Corner

On Thursday Sept 15th, 9th Grade students in Mr Shelor's CEPA were treated to a special guest visit from Principal Murakami. Mr. Murakami came and discussed how the CEPA program was begun, and the reasons for having a Citizenship class and broadcast.

Mr. Murakami explained that "students need to know the origins of our US Flag, & the Constitution to be better citizens." He also explained that "modeling by teachers in the CEPA class is very important."

The students in Mr. Shelor's class were happy to meet the leader of our school in person, and hope he comes back soon.
